KATHY HOCHUL
GOVERNOR

ROBERT J. RODRIGUEZ
ACTING SECRETARY OF STATE

Dear Sir/Madam:

For the purpose of filing a local law with the Department of State, number each local law consecutively, beginning with the number one for the first local law filed in each calendar year. The next number in sequence should be applied to each local law when it is submitted to the Department of State for filing, regardless of its date of introduction or adoption or introductory bill number. Please note that the date of filing of a local law is the date on which the local law is placed on file by the Department.

Therefore, since these Local Laws were mailed and received in 2022, they must be a 2022 law.

It is Suggested that municipalities use introductory identifying bill numbers for proposed local laws. After the local law is enacted (and approved by the voters, if required), the local law should then be numbered with the next consecutive local law number, as described above, and then submitted to the Department for filing.

Sincerely,
State Records
